SUPPLEMENT TO
REPORT NO.

1. An espionage center has been established by the Ministry of the Interior at Zelezna Ruda, with its headquarters in the Alms Hotel for the dispatching of agents to the American Zone of Germany. [REDACTED] a Skoda Tudor car with a Prague license plate was seen arriving at the Alms Hotel twice weekly. 25X1A

2. The Zelezna Ruda center is well suited for Czech espionage activities for the following reasons:

- Alzbetin, the southern section of Zelezna Ruda, is connected directly with Bavarian Eisenstein where the border railroad station is located.
- About 50 m from the German station the Eisenstein-Passau and the Eisenstein-Furthaus stops are located. No controls either at the train station or at the bus stops were observed.

3. The SNB post in Zelezna Ruda is located in the National Committee building. Some of the personnel are:

- W/O Frantisek Subrt, Commanding Officer, aged 35 years. In September 1950, he was promoted to be commanding officer of the District SNB at Domažlice.
- W/O Bouda, 36 years old.
- Jr. W/O Frantisek Krabas, People's Prosecutor, aged 29 years.
- Jr. W/O Frantisek Karousek, People's Prosecutor, aged 26.

4. Two SNB men check passenger trains running from Klatovy to Zelezna Ruda. They give special attention to persons who board the train at Hojsova Straz (N50/698) and to persons travelling, especially unseasonably, with luggage. SNB air patrols make observation flights along the border every other day. The air patrol from the Bozy airfield at Pilsen controls the Zelezna Ruda area and is equipped with

5. The headquarters of an SSB-PS company is located near the Hotel Wilson, and billets for married personnel are in the same building. [REDACTED] the company commander, 1/0 Farzlik, was purged and replaced by an SSB instructor. SSB-PS platoons are located at Alzhetin and at the Hotel Gentry in Seleznia Ruda. It is rumored that the SSB posts in the border area are to be replaced by SSB-PS units.
